RACE TRACK, CLIFTON, Nov. 15.—A large crowd attended the races here to-day despite the threatening weather of this morning. Before the races began the sun was shining brightly, tempering the chilly wind which blew across the course.

The track was a perfect sea of mud, and as the horses splashed through it they presented a sorry sight.

Nine horses started in the opening event, a five-furlong dash. The talent could see nothing but Arnel, and he won in a romp by a length and a half. Hiram was second, six lengths behind. Foxglove, third.

West Park, who got the worst of the start, won in a romp, Milan was second and Hartford third.

Leonardo was a 1 to 5 chance for the third race, and he never gave his backers a bit of anxiety, winning in a canter by a length and a half. Hiram was second, six lengths behind. Foxglove, third.
